Veteran Student Information

Veteran students and qualified dependents should be aware of the following facts:

- You must apply for benefits **each semester. Nothing is automatic.** All forms and assistance are available on campus from Veterans' Services located in the registrar/admissions office.
- Veterans' Service Hours: Monday–Fridays: 8 a.m. to 5 p.m.
- A veteran or qualified dependent must be a registered student before forms can be submitted to the Veterans Administration Regional Office for application for benefit payments. Evidence of enrollment must be furnished to the Tyler Junior College Veterans' Services each enrollment period in order for benefit payment to continue.

  Students will be certified only for courses outlined in their degree objective approved by the Veterans Administration.
- VARO toll-free number to Waco—1-800-827-1000 available for inquiries regarding educational benefits as well as other types of questions.
- **Hazlewood Act.** Texas veterans who have exhausted their educational benefits may attend Tyler Junior College under the Hazlewood Act. They may be exempt from tuition and educational related fees if they meet all the following educational related requirements:
  1. Currently a Texas resident.
  2. A Texas resident at the time ofentrance into the service.
  3. Have an honorable discharge.
  4. Have a copy of discharge papers (DD 214) on file in financial services office.
  5. Proof that all other federal assistance funds have been exhausted.

  Student service fees and late charges will be the responsibility of the student and are to be collected at registration.

TASP Information

Texas Academic Skills Program (TASP)

In 1987, the Texas Legislature passed House Bill 2182. This bill, which became effective with the fall 1989 semester, requires that all Texas public college and university students be tested for reading, writing and mathematics skills. This legislation applies to students enrolling in Tyler Junior College.

Q. What is the Texas Academic Skills Program (TASP), and do I have to take it?

A. TASP is a test in reading, writing and mathematics that is required of all students seeking a college degree or certificate with nine or more academic hours at a public college in Texas. You do not have to take it if you have completed three college level hours prior to fall of 1989 unless you are going to teach in Texas public schools.

In addition, students registering for the spring 1994 semester may seek exemption from TASP based on a composite ACT score of 29 or higher (with individual math and English scores of no less than 27), a composite SAT score of 1200 or higher (with verbal and math scores of no less than 550), and TAAS scale scores of 1800 or higher on all three relevant tests (reading, writing and math). ACT and SAT scores can be no more than five years old. TAAS scores can be no more than three years old.

Q. When do I have to take the TASP test?

A.The TASP test must be taken prior to the end of the semester in which you will be completing your ninth college level hour. In other words, if you are going to take 15 college level hours your first semester you will be completing your ninth hour by the end of that semester, and the TASP test must be taken before you can enroll the next semester.

Q. What happens if I have earned my ninth semester hour and I miss the TASP test.

A. Bad News! Texas law says that once you earn your ninth hour of college-level credit (including "D's"), you may not re-enroll in any public college in Texas, except to take remedial courses, until you have taken the TASP test.

Q. Must a student take TASP prior to enrolling?

A. No, it is not necessary for a student to take TASP prior to enrolling. Taking TASP can be deferred until the semester in which the student will complete nine semester hours of college-level course work.

Q. How often is the TASP test given, and how do I register?

A. The TASP test is administered six times a year. You must pick up a TASP Registration Bulletin in the Testing Center or at the admission's/registrar's office and send in the enclosed registration form to the appropriate NES address with your $26 fee. The postmark deadline is usually one month prior to the scheduled test date.

Q. Can I register at the college for the test; for example, can I just walk in and take the test on the Saturday it is being administered?

A. No. The college has nothing to do with the registration for the TASP test. The college administers the test on the scheduled test day to those students who have registered in advance and paid their testing fee.

Q. Is Tyler Junior College a TASP Testing Center?

A. Yes. However, you may choose to register at any center listed in the TASP Registration Bulletin.

Q. What happens if I do not pass all three sections of the TASP test?

A. The law says that you will have to be in continuous (every semester) remediation until you pass all parts of the TASP test. This is normally completed by taking developmental courses.

Q. Do I have to be in remediation in every area that I fail every semester?

A. No. You have to be in remediation in at least one area each semester until you pass all parts of the TASP test. However, remediation in all areas not passed is strongly recommended.

Q. What if I haven't taken the TASP test and I want to take my first English or mathematics course at TJC?

A. Good News! TJC offers a free placement test for any student who has not taken the TASP test, has not accumulated nine college level hours but wants to take his/her first English or mathematics course at TJC. Contact the Testing Center for testing hours or other testing information.

Q. If I am transferring from out of state or a private college (ie., SMU, Rice, Baylor, etc . . .) do I still have to take the TASP test?

A. Yes. If you have not completed three college-level hours prior to fall 1989, or you plan to take in excess of nine college-level hours in a Texas Public College TASP required program, you have until the end of the semester in which you complete your ninth hour to take the TASP test.

Q. Where can I get additional information about TASP testing requirements, test dates, etc.?

A. You can get answers to your TASP questions from the TASP Registration Bulletin by calling the counseling office at 903-510-2388.

Accommodations for the Student with a Disability

The College will make reasonable accommodations for qualified students with a diagnosed physical and/or learning disability who apply for admission. If reasonable accommodation in registration procedure or instructional environment is requested, the student must obtain a Request Accommodations Form (RAF) from the support services office and have an interview with a support services counselor. Current medical and/or psychological documentation which verifies their disability will be required with the RAF.

The deadline for applying for assistance with the support services office is normally four weeks prior to the beginning of the initial semester of enrollment, to allow time to provide adequate coordination of services. The deadline for applying for subsequent continuous semesters of enrollment is two weeks prior to the beginning of regular college registration for that semester.

Prospective and current students, parents, and others interested in such services or more information should contact the support services office, Rogers Student Center, 903-510-2395.

Family Rights and Privacy Act

In compliance with the Family Educational Rights and Privacy Act of 1976, (P.L. 93-380, section 513), as amended (P.L. 93-568, section 2), information classified as "Directory Information" may be released to the general public without the consent of the student.

Tyler Junior College hereby designates the following student information as public or Directory Information: Name, address, telephone number, dates of attendance, class, previous institution(s) attended, major field of study, awards, honors (include Dean's list), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth.

A student may request that the above Directory information be withheld from the public by making written request to the registrar's office during the first 12 days of class of a fall or spring semester or during the first four days of a summer session. If no request is filed, information will be released upon inquiry. A new form for nondisclosure must be completed every fall, spring and summer sessions term enrolled. Tyler Junior College assumes that failure on the part of any student to specifically request the withholding of Directory Information indicates individual approval for disclosure.

Class Cancellations

Tyler Junior College reserves the right to cancel, combine, or divide classes and to change the time, date, place or course offerings, and to do so without incurring obligation.

Register early to be sure of a place in the class of your choice. Early registration often prevents cancellation of a class with light enrollment.

Refund Policy

Refunds may be requested at the registrar's office on campus or at the RTDC.

The College refund policy is:

100% prior to the first class day or if class is cancelled by the College
80% during the first class day and NONE thereafter

Refunds will be mailed to the student's permanent address within 2-4 weeks. Refunds will be applied to outstanding debts owed to Tyler Junior College.

Continuing Education Units

Tyler Junior College will award the Continuing Education Unit (CEU) to adults who participate in approved, non-credit continuing education activities administered by Tyler Junior College. One CEU is equal to 10 contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction and qualified instruction. In no instance should the award of CEU be equated with college credit applicable toward a degree.

Certificates

Certificates of completion are issued at the last class to those meeting attendance and/or grade requirements.

Hazlewood Act

Hazlewood students are exempt from tuition payment in non-credit courses but must pay their own fees. The published cost for non-credit courses includes both the tuition and the fees. The exact breakdown may be obtained at the time of registration or by calling the continuing education office.

Tyler Junior College
Adult Learning Center Individualized Tutoring or Classroom Instruction

The Tyler Junior College Adult Learning Center is located in the Regional Training and Development Complex (Loop 323). The center is dedicated to serving adults of our area with free basic and high school education. All adults age 17 and older are eligible to attend classes. Besides the basics of reading, writing and arithmetic, preparation for the GED (General Educational Development) examination is offered. English as a Second Language (ESL) is also taught. Classes and/or individualized instruction may be obtained, during office hours Monday through Thursday, from 9 a.m. until 4 p.m. and Friday 9 a.m. until noon. Evening classes meet two times each week, Monday and Tuesday, from 5:30-8:30 p.m. There are also outreach centers throughout the community offering GED training. Please call 903-510-2938 for more information.
